FULL STACK DEVELOPER | MERN STACK SPECIALIST EXPERIENCE: 3 YEARS

As a dedicated Full Stack Developer with 3 years of experience specializing in the MERN stack, I have a proven track record of developing and supporting robust, high-quality web applications. My expertise includes building scalable, interactive, and responsive user interfaces using React, managing state with Redux, and developing efficient backend services with Node.js and Express.js. I have a strong foundation in working with MongoDB for database management, and I am proficient in designing and implementing RESTful APIs
